Classes are separated by age to promote social interaction and physical development. Our specialized equipment is used to create obstacle courses and teaching circuits to introduce new skills. Our low student to teacher ratio ensures personal attention and maximizes safety. Each class is designed to provide children with just the right mix of skills and challenges to leave class with a great sense of accomplishment. Our safety certified instructors provide the right balance of gymnastics skills and fun.

RECREATION CLASSES AGES 5 & UP

GYMNASTICS

FREESTYLE

- Ages 8 to 18
- Coed
- 1 Hour Class
- \$22.00 a class

Classes are divided by age, ability and gender. They follow a lesson plan on each of the Olympic events that is based on 39 years of our experience teaching recreation gymnastics classes.

Our tumbling program is divided up by ability. As your child advances to the next level, he/she will conveniently keep the same day and time and just switch to the next level.

Freestyle Gymnastics is the name adopted by British gymnastics to describe a fantastic new, exciting and rapidly growing sport which incorporates gymnastics, tumbling and vaulting.
